# Ofuon'go The Unbeatable

An Unmasked story about a group of youth who meet everyday at their idling corner:

known as "Base" in their neighbourhood, "MTAA".

Unfortunately, their basic comfort-zone behavior is being threatened by a new presence of fear, a new problem, in the person of Ofuon'go, a loner, who is beating them one by one, thoroughly and unexpectedly.

As the drama unfolds, we observe the youths poor reasoning as they prepare to gang up and beat Ofuon'go out of the Mtaa. However, their last shred of hope is shattered as their group leader Dero encounters a severe beating and declares Ofuon'go as "unbeatable" suggesting they go report their assault cases at nearby police station and get P3 forms; certifying bodily harm or assault for legal action.

The Message:

- 1) No one is above the law
- 2) Never ever take the law into your own hands alone or as a gang.
- 3) Always act responsibly and avoid idleness and peer influence.
