In the realization of a dream

A lot of creative talent goes to waste for lack of proper nurturing, inspiration and a conducive environment.

For 5 years [An Encounter With God Missions](#), [Pride Links Supplies LTD](#) have been planning for a Creativity Center. Now in collaboration with DigitaStorytelling: **unmaskedstories.org** the dream is close

to being realized. The proposed Creativity Center will focus on Arts and will be located in Muguga/Kiambu/Kenya,

in a serene, inspiring and green atmosphere. It targets both learners and explorers of all ages, to share skills,

knowledge, experiences and engage in a variety of activities. The beauty of the land will offer an undisturbed

tranquil environment for clear thought and inspired creativity. Here is a sneak video interview by two of the

founders interviewer Charity Wairimu Ngugi Latz and interviewee: Mr James Ngugi Njai is a retired director

of Arts and Crafts department with the Ministry of Education and he is vastly experienced in Batik Art Works.
